ESCAPE 32

SPONSORSHIP & EXHIBITION

The 32nd European Symposium on Computer Aided Process Engineering (ESCAPE-32) will take place in Toulouse from Sunday June 12 to Wednesday June 15, 2022. The ESCAPE-32 event is organized under the aegis of the European Federation of Chemical Engineering (EFCE Event n ° 778), CAPE Working Group (CAPE-WP), National Polytechnic Institute of Toulouse (Toulouse INP) and French Society of Process Engineering (SFGP).

ESCAPE-32 aims to bring together researchers and practitioners from the computer-aided process engineering (CAPE) community to present and discuss emerging themes in the discipline but also around industrial case studies. It will bring together 380 people (students and researchers) from academia, research institutions and industrial organizations, coming from 40 different countries.

The symposium, which will include several networking activities, will cover the most recent topics related to CAPE. Presentations will be made by eminent European speakers and other world-renowned speakers in the plenary and opening sessions of the various sessions

The richness of the program and the interest of the themes addressed will make this congress a real success.

Date and venue: 12-15 June 2022 at Le Centre de congrès Pierre Baudis, Toulouse, France

Expected number of participants: Around 380-450 people
